

MEMBERSHIP

Students are invited to join the Science Club for an annual membership fee of \$20.00.

Benefits include monthly club meetings and members and their parents receive discounts on all purchases at the H.M.S. Beagle store in Parkville, MO, and purchases from the H.M.S. Beagle's on-line store (www.hms-beagle.com). Members receive a personalized membership card and a certificate suitable for framing.

MEETINGS

Meetings of the Science Club are held monthly (except for December) at the H.M.S. Beagle store and consist of a program, presentation or workshop on a science topic.

Club meetings last approximately one hour. Meeting dates are scheduled by age groups. Monthly e-mails are sent to members with meeting topics and dates. Meeting dates and times are also conveniently posted on our web site: www.hms-beagle.com. Parents may stay for the club presentations, but seating space is reserved for the club members themselves. **Due to limited space we require that members make reservations for the meeting dates they wish to attend.**

- Members who are in kindergarten through 3rd grade usually meet at 9:00 am on the second or third Saturday of each month. Members may select which Saturday to attend.

- Members who are in 4th grade through 7th grade usually meet at 9:00 am on the fourth Saturday of the month.

- Homeschoolers may meet at 9:00 am on the fourth Thursday of the month, but homeschooled members are encouraged to attend the regular Saturday meetings.

- Members in 8th grade through 12th grade do not have regularly scheduled meetings. However, we will attempt to schedule special presentations and discussions for our senior science club members throughout the year.

Our staff is available, as mentors, to discuss one-on-one or in small groups (as can be arranged by members, their parents and our staff) any science questions or projects. We are especially interested in mentoring for Science Olympiad, Science Fair or other science and engineering competitions or projects. Science classes in the 8th grade through 12th grade levels are especially demanding; we invite our seniors group members to contact us for assistance. Please understand, we will not do a students' homework or write their reports. In addition, we can set up tutoring on science topics for small groups at a nominal fee.

For questions, or suggestions or to make reservations, **please contact us by phone 816-587-9998, fax: 816-587-9997, e-mail: clk@hms-beagle.com, or by regular mail: 180 English Landing Drive, Suite 110, Parkville, MO 64152.**
